A prestigious modern college in the heart of Sydney, Taylor's High School is multicultural and specially designed for Year 10, 11 and 12 students who want to go far in life. Our campus also offers plenty of enrichment and well-being activities to develop leadership, teamwork and other qualities that lead to success.

Most of all, we create a welcoming, multicultural community where everyone is supported, valued and nurtured. Our students form lifetime friendships that not only make high school a great experience but provide an invaluable global network when they leave.

We would love to welcome you and give you a tour of our campus. To book a tour, either call us on (02) 8303 9700 or send us an email enquiries@taylorscollege.edu.au.
