

# ELF2000 PORTABLE POWER STATION

■ SS-ELF2000

## Features

Bidirectional Converter Technology With Integrated Solar MPPT

Compatible With Lithium/Lead-Acid Batteries

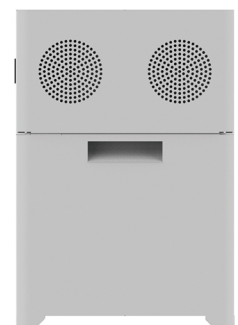

Multiple protections of over temperature, over-discharge, overload, short circuit, over-voltage, over-current protection etc

With 2000W Rated Output Power

Modular Design For Easy Battery Replacement

### OFFICE IN CHINA

Hangzhou Saintish Technology Co., Ltd.  
7F, Science and Innovation Building, Qingshanhu, Hangzhou  
Tel: +86 571 6385 0363  
Email: sales@saintishtech.com  
www.saintishtech.com

### AUSTRALIAN R&D AND CUSTOMER SERVICE CENTER

Zeus Appollo Solar  
QLD office: 32 Crockford Street, Banyo, QLD4014  
WA office: U5/30 Adams Drive, Welshpool, WA 6106  
Tel: +61 73123 6148(QLD) +61 8 6311 9906(WA)  
Email: sales@zeusappollosolar.com.au

# ELF2000 PORTABLE POWER STATION

MODEL	SS-ELF2000
<b>PV INPUT(450WP*1)</b>	
Max. open-circuit voltage Voc(V)	70
Working voltage range(V)	15~70
Max. input current(A)	20
<b>AC INPUT</b>	
Input voltage range(V)	180~240
Nominal input frequency(Hz)	50
Max. input current(A)	20
<b>INVERTER OUTPUT</b>	
Nomianl output power(W)	2000
Peak output power(W)	4000
Output voltage(V)	230V
Output frequency(Hz)	50
Inverter output waveform	Pure sine wave
Conversion efficiency	≥ 85%; Efficiency ≥ 90% at 50% load
Protection method	Low voltage, over voltage, overload, high temperature, reverse connection protection
<b>DC OUTPUT ACCESSORIES</b>	
USB 2.0	5V 2.1A*2
<b>BATTERY</b>	
Nominal voltage (V)	12.8
Battery energy (Wh)	2560
Working temperature (°C)	0~60
Noise	≤55dB
Case dimensions (mm)	600*300*430
Weight (kg)	38.3(Including battery)

Note: Specifications are subject to change without advance notice.
